Codédex

Certificate # 189543712

This Certificate of Achievement has been award to

MATSOUKA MARIA

for the successful course completion of

C++

Learners who complete Codédex's C++ course demonstrate mastery of fundamental programming concepts such as variables, control flow, loops, arrays, methods, classes & objects, and utility classes. Their knowledge is certified through the successful completion of two expert-reviewed projects, representing over 50 hours of hands-on coding experience.
