Codédex

Certificate # 179049052

This Certificate of Achievement has been award to

MARIA MATSOUKA

for the successful course completion of

The Legend of Python

Learners who complete Codédex's Python course gain a knowledge of Python fundamentals of variables, control flow, loops, lists, functions, classes & objects, modules, and certify their knowledge by completing two expert-reviewed projects, representing 50+ hours of hands-on coding experience.
